

## 2011/2012 ELEMENTARY CLASSES

*Instructor - Nancy Rooker*

### **MATH GAMES (3rd - 5th Grade)**

**Cost:** Tuition: 32 (1 hour) classes \$225

**Payment:** Two equal installments (see Registration form)

**Class Time:** Wednesday, 11:40 A.M. – 12:40 P.M.

Using manipulatives like base ten blocks, pattern blocks, card games, hundreds charts, and others, students will explore number patterns, base ten concepts, regrouping, fractions, multiplication and division, problem solving, simple functions, and more. Games and activities will support mastery of facts but will also introduce students to joyful exploration of concepts. We will have great fun while doing some important learning in class!

**Required books/materials:**

*TBD*
